Looking for an experienced Junior Designer with a minimum of 2+ years professional work experience and a College Diploma or University Degree in Graphic Design for a 4-month contract.

Must be proficient in a Mac work environment and have a good knowledge of print design and production. Position calls for close attention to detail as the nature of the work is fast-paced with challenging deadlines.

Experience with Flash or Web is a definite asset. Must be comfortable and professional in dealing with clients, and work well as part of a close-knit team.

Must be able to use:

Adobe InDesign

Adobe Illustrator

Adobe Photoshop

Keynote skills are also a plus.

**Please note this job is for our Toronto office.**
