

Editor-in-Chief, The Creators Project

VICE is a global youth media company and the industry leader in producing and distributing the best online video content in the world. Launched in 1994 as a punk magazine, VICE has expanded into a multimedia network, including the world's premier source for original online video, VICE.COM; an international network of digital channels; a television & feature film production studio; a magazine; a record label; and a book-publishing division.

VICE's digital channels include Noisey, a music discovery channel; The Creators Project, dedicated to the arts and creativity; Motherboard, covering cultural happenings in technology; THUMP, focusing on global dance and electronic music; and Fightland, a channel dedicated to the culture of MMA. VICE acquired British fashion publication i-D in 2012 and re-launched i-D's digital presence at i-D.co, a video-driven fashion site. In 2013, VICE launched a news-magazine series on HBO titled 'VICE.' The Emmy nominated series is commissioned for a second season, scheduled for 2014.
